INSECT REMOVER

Effective smudge free cleaner for removing insect residue from glass, painted car elements, grilles, number plates, carbon fiber and headlights including LED and Xenon. Can be used safely on all exterior car elements.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
136020799	INSECT REMOVER 0,75L	6	5900304002425

BIRD DROPPING WIPE

Our best individual convenient sized sachet. Efficiently and safely cleans bird droppings and wiper blade rubber to improve visibility while driving. Car paint friendly.

no.:	name	units per pack	EAN code
170000136	BIRD DROPPING WIPE 1 pcs.	20	5900304005679

ENGINE CLEANER

Removes grease and oil residue from engine bay. Leaves no streaks and marks.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

Packaging made of 80% recycled material. Fully recyclable.

no.:	name	units per pack	EAN code
124020699	ENGINE CLEANER 0,7L	6	5900304002340

PAINT

QUICK DETAILER

A wax based quick detailer – restores a deep gloss, shine and smoothness to your car paint. Quick and easy-to-use, just "spray and polish" to bring back a showroom shine. Leaves a water-repellent, weather-resistant coating that enhances water flow-off and reduces re-attracting further dirt. Can be used either as a sealant, or as a touchup to your last car wax job.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
138020799	QUICK DETAILER 0,75L	6	5900304014121

LIQUID WAX

Easy-to-use formula for a fast and easy way to restore gloss on all types of car paint. Water and dirt easily flow off the car body leaving no white residue. Easy-to-apply, can be used on both wet and dry car paint. Can also be used for all external car elements.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
129020799	LIQUID WAX 0,75L	6	5900304005150

PAINT

CAR BODY WAX

Highly efficient sprayable wax for all types and colours of car paint. Contains both natural Carnuba and beeswax, protecting paintwork against the adverse effects of weather. Fast and easy to apply, leaving a durable and glossy finish. Can also be used on plastic and rubber car body elements, leaves no smudges.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
129030499	CAR BODY WAX 0,4L	6	5900304002685

ULTRA WAX

Our best high quality hard wax for glossing and conditioning all types of car paint. Carnuba wax formula provides long-lasting protection against the negative effects of weather conditions: rain, salt, snow or dust. Reduces insect adhesion and produces visible results with a droplet run off effect. Safe for clear coat, silicone-free. Applicator and wipe included.

no.:	name	units per pack	EAN code
129040199	ULTRA WAX 0,1kg	8	5900304005006

LIQUID ULTRAWAX

Creates a highly reflective, durable protection with an intensified deep colour effect. Protects against the negative effects of adverse weather conditions. Easy-to-apply, can be used on both wet and dry car paint. Safe and effective on all glossy paint and clear coats. Does not leave white stains on non-painted elements. Soft cloth is included.

no.:	name	units per pack	EAN code
129120799	LIQUID ULTRAWAX 0,5L	6	5900304005228

HIGH GLOSS POLISH

Easy-to-use high gloss polish with Carnuba wax content. Leaves a perfect deep shine finish on all types of paint, outlasting many washes. Effectively protects against adverse weather conditions and harmful contamination (e.g. bird droppings). Also protects side trims, mirrors and bumpers without leaving any smudges or residue.

For up to 6 applications!

no.:	name	units per pack	EAN code
130010399	HIGH GLOSS POLISH 0,28L	4	5900304004825

RENOVATING POLISH

For the renovation of aged and scratched car paint. Covers and hides small scratches due to generous amount of abrasive content, renewing the depth of colour. Protects against adverse weather conditions. Creates a droplet run off effect. Prepares paint for further treatment. Leaves no smudges or white spots on plastic and rubber parts. Suitable for all colours and types of car paint.

For up to 6 applications!

no.:	name	units per pack	EAN code
130110399	RENOVATING POLISH 0,28L	4	5900304004818

RUBBING COMPOUND

Effectively renovates aged and dull car paint. Removing stains, oxidation and small scratches for a professional finish. Can also be used for cleaning tarnished chrome. Safe for clear coat, silicone-free.

no.:	name	units per pack	EAN code
130010299	RUBBING COMPOUND 0,15L	10	5900304004528

GLASS

GLASS CLEANER

For cleaning glass, mirrors and headlights (also xenon and LED friendly). Easily removes all stubborn grime, nicotine residue and greasy film, smudge free. Ideally suited for household use. Environmentally friendly, contains no dyes, ammonia and phosphates. Leaves a nice smell.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
107020699	GLASS CLEANER 0,75L	6	5900304011670

GLASS

GLASS FOAM CLEANER

Powerful fragrant foam cleaner for vehicle windscreens, mirrors and headlight (also xenon and LED friendly). Effectively cleans insect residue, silicone, oil and exhaust deposits. Removes fingerprints, nicotine residue and greasy film. Ideally suited for household use.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
117030499	GLASS FOAM CLEANER 0,4L	6	5900304000087

INVISIBLE WIPER BLADE

Creates an invisible layer on the windscreen to reduce the usage of wiper blades. Water droplets are blown off windscreens at speeds above 65 km/h without using wiper blades. Increases safety and comfort while driving in rain. Additionally reduces the build up of insect residue, grime and frost. Environmentally friendly – does not contain any pigments.

no.:	name	units per pack	EAN code
135010299	INVISIBLE WIPER BLADE 0,3L	8	5900304002135

ANTI-FOG

Prevents car windows and mirrors from fogging. Increases comfort and safety while driving for up to 60 days. Environmentally friendly – does not contain any pigments.

no.:	name	units per pack	EAN code
134010299	ANTI-FOG 0,3L	8	5900304002142

GLASS DE-ICERS

Quickly removes frost and ice from glass, mirrors, wipers and headlights, leaving a clear and dazzle-free surface. Reduces the further build-up of frost and ice.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
222030399	GLASS AND LOCK DE-ICER 0,3L	8	5900304000247
222020699	GLASS DE-ICER 0,75L	6	5900304011823

WAX REMOVAL WIPES

Set of two wipes for the removal of wax from car glass and mirrors after using a car wash.

1 WET: for the easy, streak free removal of greasy deposit and layers of wax and silicone.

1 DRY: for polishing the cleaned surfaces.

no.:	name	units per pack	EAN code
129000999	WAX REMOVAL WIPES 2 szt.	20	5900304000935

CHROME AND TRIM

BUMPER SHINE

Restores the natural colour and preserves unpainted plastic car elements against fading. Creating a tough waterproof barrier against adverse weather conditions. Can also be used on tyres and other rubber parts.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

Water based, environmentally friendly formulation, does not contain harmful solvents.

no.:	name	units per pack	EAN code
120120899	BUMPER SHINE 0,75L	6	5900304012103

BUMPER CLEANER

High quality care formula for plastic and rubber.

Cleans and cares for car bumpers, side trims and mirror housings. Leaves a glossy, antistatic effect and freshens up colours. Protects against adverse weather conditions.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
120130499	BUMPER CLEANER 0,4L	6	5900304004443
120010299	BUMPER CLEANER 0,17L	16	5900304004887

CHROME AND TRIM

CHROME AND ALUMINUM CLEANER

Paste for cleaning and polishing chrome, aluminum, copper, bronze and other unpainted metal. Quickly and thoroughly removes rust, patina, dissolves stubborn dirt, corrosion and deposits. Restores a deep original shine.

no.:	name	units per pack	EAN code
137010299	CHROME AND ALUMINUM CLEANER 0,15L	10	5900304004535

CONVERTABLE

SOFT-TOP WATERPROOFER

Easy to apply transparent waterproofer, impregnates and protects all types of soft tops. Protects against further soiling, freshens up the colours and renews water repellency. Can also be used to protect textile and alcantara seat covers and carpets against dirt and moisture.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
119930399	SOFT-TOP WATERPROOFER 0,6L	6	5900304009462

SOFT-TOP FOAM CLEANER

Safely removes bird droppings, tree sap and road dirt. Does not damage car paint and varnish.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
118330499	SOFT-TOP FOAM CLEANER 0,4L	6	5900304009479

OTHER

BRAKE DISC CLEANER

A perfect formula for cleaning and degreasing your brake parts: drum and disc brakes, lining material, brake shoes, springs, cylinders and clutch parts. Restores the friction, improving braking performance. Removes a protective film prior to fitting replacement parts. Contains no chlorine solvents, silicon or acetone.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
128030599	BRAKE DISC CLEANER 0,5L	8	5900304005402

COMPRESSED AIR

Removes loose dirt and dust from inaccessible places. For keeping automotive, household electronic parts, modules and computer devices dust-free. Extension pipe is included to reach inaccessible places. Contains no oil and residue.

Can upright = compressed air for removing dust.

Can upside down = freezing effect for cooling parts during installation.

no.:	name	units per pack	EAN code
119730699	COMPRESSED AIR 0,6L	6	5900304009509

MOS-2 RUST REMOVER

Quickly removes rust and corrosion. Lubricates and reduces friction, penetrating deeply helping to prevent rust and corrosion from re-forming. Eases disassembly – loosens seized and corroded mechanical parts. Can also be used on plastic and metal parts.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
121030299	MOS-2 0,2L	12	5900304013445
121030499	MOS-2 0,4L	12	5900304013308
121030699	MOS-2 0,6L	6	5900304009493

UNIVERSAL PENETRATING OIL

A multi-purpose oil for displacing moisture, reducing friction and static electric. Also removes rust, loosens and lubricates seized and corroded metal parts such as: screws, bolts, precision mechanisms and locks.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
121030399	UNIVERSAL PENETRATING OIL 0,6L	12	5900304010611

OTHER

REMOVABLE RUBBER COATING

Fast-drying, flexible, protective and customizing removable rubber coating. Protects against adverse weather conditions, rusting and scratches. Can be applied onto steel and alloy wheels, plastic bumpers, mirror housings and metal elements. Temperature range from -30°C to +70°C. Easily removable.

Available in a range of colours: gloss black, matt black, transparent, gloss white and gloss red.

no.:	name	units per pack	EAN code
105030499	BLACK MATT 0,4L	6	5900304009134
105130499	BLACK GLOSS 0,4L	6	5900304009592
105430499	WHITE GLOSS 0,4L	6	5900304009615
105230499	RED GLOSS 0,4L	6	5900304009622
105330499	TRANSPARENT 0,4L	6	5900304009608

TAR REMOVER

One of the best selling tar removers. Removes contaminants such as: oil residue, tar, sap and sticker residue from car paint, metal, glass and plastic surfaces.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

no.:	name	units per pack	EAN code
124230499	TAR REMOVER 0,4L	6	5900304003613

INTERIOR CARE

COCKPIT AND PLASTIC

COCKPIT CLEANER – VELVET SHINE

Cleans and cares for smooth, textured, plastic and wooden car interior surfaces. Removes dust, stains and other contamination. Natural Carnauba wax leaves a protective, velvet shine finish. Anti-dust formula – reduces re-settling of dust.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

Water based, environmentally friendly formulation, does not contain harmful solvents.

no.:	name	units per pack	EAN code
138720889	COCKPIT CLEANER – VELVET SHINE 0,75L	6	5900304012059

COCKPIT CLEANER – SATIN MATT

Cleans and cares for smooth, textured, plastic and wooden car interior surfaces. Removes dust, stains and other contamination. Natural bees-wax leaves a protective, satin finish. Anti-dust formula – reduces re-settling of dust.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.

Water based, environmentally friendly formulation, does not contain harmful solvents.

no.:	name	units per pack	EAN code
199220899	COCKPIT CLEANER – SATIN MATT 0,75L	6	5900304012073

COCKPIT CLEANER

Cleans and cares for smooth, textured, plastic and wooden car interior surfaces. Removes dust, stains and other contamination. Leaves a protective, long-lasting gloss finish. Anti-dust formula – reduces re-settling of dust.

360° action – equipped with a special nozzle and ball valve which allows it to work in every position.
